WHAT WE DO

OUR MISSION

Preserve the sport of hunting through education, conservation and the promotion of our hunting heritage.

SCHOLARSHIP

HSCF proudly provides one of the largest scholarship programs of its kind. Students who participate in hunting and are involved in the study of wildlife, range management and other conservation-related majors, enrolled in accredited Texas universities, are eligible. Annually, HSCF provides twenty-five (25) scholarships in the amount of $6,000.00 each. To date, 525 scholarships have been awarded, totaling over $2.25 million.

YOUTH EDUCATION

HSCF provides programs which introduce a new generation of young people to the outdoors. These programs provide interactive experiences in the classroom, in the field and on the water. We annually host 150+ area high school students for a day of career introductions to outdoor-related professions, at our annual convention. In addition, we host almost 100 students for hunting and fishing experiences each year.

CONSERVATION

HSCF provides support for wildlife preservation and habitat protection initiatives, anti-poaching efforts, and research programs. HSCF has provided over $4 million in grants to support conservation, anti-poaching, hunters’ rights, youth education, hunter education and more.

HUNTERS’ RIGHTS

Functioning as a separate entity, Houston Safari Club, a 501(c)(4) organization, is dedicated to legislative and policy initiatives that may affect the future of hunting. HSC supports initiatives which protect the tradition of hunting and hunters’ rights. We take an active role in efforts to effect policies, protocols and legislation. HSC collaborates with policy and legislative groups and individuals, to protect hunting rights, all over the world.
