#TOGETHER2020
Houston Safari Club Foundation’s (HSCF) Annual Convention is scheduled for January 24-26, 2020 at the George R. Brown Convention Center, Hall E, and the Hilton-Americas-Houston in Houston, Texas. This three day event provides a tremendous marketing opportunity to reach an affluent, motivated consumer audience. Thousands of people from Texas and around the world gather to celebrate hunting, education and conservation!

Hundreds of exhibits, daily and nightly gatherings, auctions and entertainment are just a few of the features of our annual event. Celebrities, dignitaries and key opinion leaders are often in attendance. In addition, HSCF embraces the importance of education and conservation as we recognize our annual scholarship recipients and hunting award winners. Saturday evening’s formal gathering is our apex event featuring live entertainment, Hunter of the Year awards and a grand live auction.

HSCF’s Annual Worldwide Hunting Expo & Convention is our largest fundraiser each year. Proceeds go towards fulfilling our mission of preserving hunting through education, conservation and the protection of hunters’ rights. Your support is the reason we are able to continue this mission.

ABOUT US

Houston Safari Club Foundation (HSCF), our 501(c)(3) branch, is dedicated to education and conservation. HSCF provides one of the largest scholarship programs of its kind to students involved in the study of wildlife, range management and other conservation-related majors. 525 scholarships have been awarded, totaling over $2.25 million. HSCF also provides programs which introduce a new generation of young people to the outdoors. These programs provide interactive experiences in the classroom, in the field and on the water. We annually host 150+ area high school students for a day of career exposure to outdoor-related professions, at our annual convention. In addition, we take almost 100 students on hunting and fishing experiences each year. Operating as a separate entity, Houston Safari Club, our 501(c)(4) organization, is dedicated to legislative and policy initiatives focused on hunting, hunters’ rights and conservation.

Our members have a diverse background and wide variety of interests. But, they all have one thing in common—their passion for the outdoors, a love of hunting, a commitment to the responsible management of national resources, and the protection of our rights as hunter-conservationists.
Houston Safari Club Foundation is comprised of passionate people dedicated to preserving the future of the outdoors. Our membership is a diverse network of affluent professionals, with strong purchasing power, engaging in many aspects of life including hunting, watersports, luxury travel, property ownership and more.
