

## **HSCF Convention Exhibitor Acceptance and Placement Policy**

Houston Safari Club Foundation (HSCF) strives to maximize the selling experience for exhibitors and optimize the consumer experience for attendees at its annual convention. Effective the 2025 HSCF Worldwide Hunting Expo & Convention, the HSCF Priority Points System has been updated. Please refer to the attached updated policy.

Efforts will be made to assign exhibit/booth space in accordance with an exhibitor's specified preference. However, no guarantee is made by HSCF that the exhibitor's preference will be met. Efforts will be made to avoid placing competitors adjacent to each other.

Compliance with booth application and payment policies and deadlines is required.
