

HSCF Convention Exhibitor Donation Policy

The HSCF Worldwide Hunting Expo & Convention is our largest fundraising event of the year. These funds make it possible to implement our programs for worldwide conservation, youth education, youth hunting and fishing experiences, and scholarships. Your donation allows HSCF to continue its mission to preserve the sport of hunting through education, conservation and the promotion of our hunting heritage.

All exhibitors are required to provide a donation in support of these fundraising efforts. Donations provide an opportunity for exhibitors to receive advertising, increase booth traffic, increase visibility to convention attendees, and possibly secure future clients.

When considering a donation, we recommend products or services which provide an accurate representation of your business. Donations will be placed in live auctions, silent auctions, raffles or games based on their value.

Donation Guidelines

- If a tangible donation is not possible, a sponsorship of \$1,000 USD will be accepted. Exhibitors may also take advantage of one of the convention marketing sponsorships offered each year if they prefer.

- Donations valued below \$5,000 USD may be placed in silent auctions, raffles and games or other fundraising opportunities.

- Live auction donations from registered exhibitors will receive priority consideration.
